

2007 VOTING RECORD IOWA GENERAL ASSEMBLY

Samuel Gompers said it best when he described labor's political mission nearly a century ago: "Stand faithfully by our friends and elect them; oppose our enemies and defeat them, whether they be candidates for President, for Congress, or other offices, whether executive, legislative or judicial."

Not words, but the record, is the measure of how we separate labor's allies from our adversaries. This voting record by no means covers all the issues that the Iowa Federation of Labor, AFL-CIO dealt with during the 2007 Legislative session. It does, however, record legislators' votes on a number of key issues of concern to union members and their families and will help Iowa trade unionists determine whether their elected representatives support labor's progressive agenda or have taken their stand with those who want to keep working people down.
