We encourage all Local Unions in our jurisdiction to affiliate with us. Our affiliates assign/elect delegates to represent them at our meetings and discuss their issues of importance.

In a structured but inclusive and welcoming environment, we strategize and plan events and actions to address those issues.

Community Service is one of Labor's oldest and least recognized traditions. The members of our Labor Council have a long history of activism and Community Service. We are always open to new ideas and suggestions and encourage participation from everyone.

Below is a list of Projects planned for the coming year:

**Little Pantries:** We will be building and placing little Pantries much like the little libraries many are familiar with, only instead of books, we will be sharing non-perishable foods for those in need in our communities. The placement of these Little Pantries will be determined by our delegates at our meetings.

**Annual Toy Drive**—each year our CLC adopts a needy family in our region and helps ensure though they have a great Christmas. Some people choose to donate money and our volunteers are happy to shop for the children.

***Join us and help grow the labor movement  
throughout our four county area in PA.***
