

You are cordially invited to the annual Local #4 Apprentice Brick & Tile Laying Contest.

On Saturday, June 11, 2022 the contest will be held at the NEW BAC Local #4 Facility in LA VERNE. The apprentices will be competing for prize money, prizes and will represent our Contractors and the JAC at the Western States Contest!!

This is a time when the apprentices are able to show off some of the skills they have learned in the trade. It means a great deal to the apprentices to know they have the support of their industry.

We are also seeking donations in order to purchase prizes and give cash awards to the apprentices competing and to help defray the costs of attending the Western States Apprentice Contest Please consider helping us make this year's contest a success by donating. The average donation to the previous contest was \$250.00, but we would appreciate any assistance you are able to provide. Checks should be made out to Labor Management Cooperation Committee or "LMCC" and in the memo area please write Local Contest and mailed to :

2679 SIERRA WAY SUITE E , La Verne, CA 91750

**Please make donation checks payable to Labor Management Cooperation Committee**
