CALIFORNIA STATE BALLOT MEASURES

NO ON 22:

This about worker's rights. Uber & Lyft are spending hundreds of millions of dollars to overturn law that would provide workers in the gig economy the vital labor protections they deserve. Prop 22 also seeks to make it more difficult for workers to unionize and engage in collective bargaining.

YES ON 15:

While the wealthiest corporations avoid paying their fair share, California schools have the most crowded classrooms in the nation and our local communities are struggling to respond to the impact of Covid. Prop 15 will remedy this by changing tax assessment of commercial & industrial property.

YES ON 19

Home protection for seniors, severely disabled, families and natural disasters. Will generate millions for fire protection, local governments and school districts.

Labor Councils are an arm of the AFL-CIO and the state Labor Federation. Together, we take positions on state races. The North Bay Labor Council makes its own endorsements for local races in the four counties we cover (Sonoma, Marin, Mendocino & Lake Counties). Visit calaborfed.org for a full list of endorsed state legislation and candidates.
